Professional High Energy 24/20 **Premium Performance Dog Food**

JOY ORIGINAL HIGH-ENERGY is a Premium Dog Food formulated to meet the nutritional needs of very active and hard working dogs. Canine athletes require an enriched nutritional formula to maintain endurance and endure the stress of competition. JOY PROFESSIONAL HIGH ENERGY 24/20 provides the fortification these exceptional dogs require and deserve to maintain peak performance. This premium formula is complete and balanced using only the finest ingredients. Both meat and chicken protein are utilized to achieve balanced amino acids. Omega 6 & 3 Fatty Acids are added to ensure healthy skin and coat. Energy-packed fat and carbohydrates are carefully blended to produce this energy dense diet that will fulfill the nutritional requirements of even the most active canine athletes. Of course all Joy Pet Foods are naturally preserved with mixed tocopherols for your dog's well being.
