Premium Performance Dog Food

This food is formulated to meet all the nutritional needs of your growing puppy. This chicken based, soy free formula is specifically designed to provide the essential nutritional needs of a puppy while preventing gaining excess weight. The Omega 6 & 3 Fatty Acids provide a healthy skin and coat while the glucosamine and chondrothin provide the puppy with healthy hips and joints. Joy Puppy food is ideal for dry or wet feeding so the puppy can thrive on the same feed for the first one to two years of their life. This feed is naturally preserved with mixed tocopherols to ensure the dog's well being.
